

# ACCESS<sup>+</sup> FOR SUCCESS

## UNIVERSITY PREPARATION PROGRAMME

**APPLY  
NOW!**

We can help  you do better

The Access for Success University Preparation Programme is the ideal opportunity to improve your Grade 12 Mathematics and Physical Science marks.

### Learn from experts

We support and encourage our students in their strive to successfully apply for further study at a College or University.

### Three daily meals

Three tasty and nutritious meals are served daily, freshly prepared by our well trained kitchen staff, right from the convenience of our on-site fully equipped kitchen.

### Furnished Rooms

Our campus accommodation offers rooms equipped with furniture, with clean and regularly serviced ablution facilities.

### Time to have fun

Enjoy this breathtaking campus oasis with its abundance of open space while taking part in social events that complement our campus's recreational facilities.

# Admission Requirements:

The A4S programme is a selection programme – to be selected for the programme in 2024, you need to comply with pertinent entry requirements. Prospective students should:

- Be in Grade 12 in 2023
- Have passed the National Senior Certificate with at least 40% for Mathematics
- Have passed the National Senior Certificate with at least 40% for Physical Sciences
- Have passed the National Senior Certificate subjects with at least 50% for English
- Have passed the other subjects from the group of subjects designated for university admission with at least 50%
- Have passed the National Senior Certificate with at least a 50% average (excluding Life Orientation)

**\*\*No students with Mathematical Literacy will be accepted.**

Visit the A4S website to download the application form
